

I die daily.....

There has never been a greater expression of love than the Love that Christ showed by laying down His life. The entire world has been impacted by the birth, life, death, and resurrection of Jesus. Our calendar is set by it, and millions of lives have been transformed because of it. You are reading this right now because of the impact that was made on my life.

“How He loved”, it’s the character trait of God drives everything He does. It’s why we continue to exist. It’s why He has always preserved a people, it’s why He reaches out, it’s why He has paved a way. It’s why Jesus came, and it’s why His Spirit resides with us.

Our ability to love comes directly from the seed that of love that was first planted in us. Do you love today? Do you love Christ? It's important to take the time and realize that we are just dead branches apart from Christ. The life that we enjoy, and the ability to share that life is all rooted in our connection with the Savior of the world. WE are the branches, but He is the vine.

The church is only a power entity in the world, when she submits herself to the Head, and the Head of the Church is Jesus Christ. Our mission as the Church is to reveal God to the world. We have to see our individual mission as a part of that body. Yes, we are a part of that body the church, with Christ as the head. We are commanded to Love! It's our badge of identity, it's how we can reveal who we are and certainly who He is. "This is how they will know that you are my disciplesyou will have love one for another!" I ask again do you Love? If you do, take the time to give God thanks....because again we must be reminded, we love, because He first loved us.

God bless – Pastor Paul
