

I die daily.....

I will never cease to be amazed at what God does in a person's life. People are often looking for miracles from God. But they are looking for things like a miraculous healing of cancer or someone's sight to be restored. But we don't often talk about the miracle of transformation. How God takes a person who's life has been wrecked by sin, and puts them back together. He doesn't just clean them up, but He takes a person with faulty character, and changes them. He takes a vessel that is bent toward dishonor and recreates them into a vessel of honor. That's a miracle, and He does it nearly every day.

What a miracle right? He takes a lost soul and makes them a Temple for a Holy God. He comes and makes His residence with us. I am not sure I will live long enough for this not to cause me to be anything less than amazed. My peace, my comfort, my contentment, my sound mind, and the director of my steps, living with me. It's something the ladies of "The View" would likely poke fun at. I can hear it now ..... "You mean

God lives in you .... Reaaallllyyy ... “ with sarcasm. But that’s exactly it. Jesus said “soon the world will see me no more, but you ..... will SEE me”.

The Prince of Peace has made it possible for us to know God in an intimate way. We are a house built by the masters hands. We have been recreated to His glory, and for His purpose. That Prince can be alive in you. That word that became flesh can be revealed in and through our lives. It just doesn’t get any more important. There is nothing else in this life that will ever be more important. This temporary time on Earth is just the staging for the life to come.

Christ walked this Earth, and the world was given an opportunity to behold the Glory of God. He confused the wise. He set the religious world on it’s heels. Oh my - the enemy still doesn’t know what to do with Him. And everyone of us have been given the opportunity to represent that Man..... God with us ..... He recreated us for that very purpose. It’s the miracle that doesn’t get the recognition it deserves. The sinful man, is changed to the temple of the Living God. That’s something to rejoice about!

What does this world have to offer? Sincerely ..... all the money in the world can’t buy you an eternity. The rich kill themselves everyday, because they are empty. People climb the mountains of life only to realize the feelings on top of the mountains of this life quickly fade. The void that can only be filled by God will always be there, unless filled by Him.

Thank you Lord for the Miracle of Salvation. Thank you for choosing us! Thank you for a second chance. WE love you --- AMEN
